

BISSO
SPARKLING WHITE
WINE VSQPRD

BETWEEN MAGIC AND TRADITION

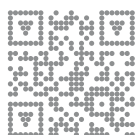

Bisso is like silk on the palate
Echo of magical rites lost in the waves of time
Guarded in the depths to live again among the winds
Son of ancient traditions
Magically inviting and light, becomes a wine of great charm

TENUTE ÓLBIOS®

BISSO

VINO SPUMANTE
BIANCO
V S Q P R D

Sparkling white wine vinified with the classic method and obtained from Vermentino grapes from our vineyards. It is the result of extensive research on the methods of sparkling wine and the secrets of different recipes. The long aging has softened the harshness of Vermentino and ennobled its qualities. The second fermentation in the bottle and the slow remuage have exalted tones and scents.

Grape Variety

Vermentino 100%.

Designation

Sparkling White Wine Classic Method.

Denomination of Origin

DOC Sardegna.

Soil Type

Predominantly sandy derived from decaying granite.

Training system

Espalier.

Harvest time

Second/third decade of September.

Harvesting Technique

Hand-harvested in small boxes.

Vinification

The free-run must, clarified within 12 hours, is slowly fermented under controlled temperature. Subsequently it undergoes a second fermentation in the bottles, remuage by hand on the pupitres, dégorgement à la glace, pas dosé.

Ageing

15 months and more sur lie.

Tasting Notes

Straw-yellow colour, the fine perlage consists of long, small and thick chains forming a thin and yet durable crown on the surface. A pure bouquet, concentrated and expressive, with multiple fine aromas, floral at first then fruity and pastry-like. In the mouth, following a dynamic but not too invasive approach, the taste reveals the same aromatic notes. Genuine and persistent finish.

Pairing Suggestion

Perfect with different kind of entrées, grilled or baked fish. Free-range chickens stews or game with seasonal wild mushrooms.

Serving temperature

Serve between 6° and 9° C in previously-chilled champagne glasses.
